BookTrust Bookbuzz

Your child has received their chosen Bookbuzz Primary book!

Your child's school is taking part in Bookbuzz Primary, a new reading for pleasure programme launching in 2026 for Key Stage 2 pupils (Years 3-6).

Developed by BookTrust, the UK's largest reading charity, Bookbuzz Primary is designed to help children develop book choice skills and build a lasting enjoyment of reading. BookTrust's mission is to inspire a love of reading because research shows that reading regularly not only improves literacy, but also supports wellbeing, creativity, imagination and confidence. To find out more about BookTrust visit **booktrust.org.uk**

As part of the programme, children can explore a range of carefully selected books and choose one to keep as their own.

Your child chose their own book from this year's Bookbuzz Primary selection and it's theirs to keep! Here's how you can help keep their reading journey going at home:

1. Chat about their book

Talking about books helps build confidence and a love of reading. Ask your child why they chose their book? Who is their favourite character? What do they like most about the book?

2. Keep the momentum going

Has your child finished their book? Explore our Bookfinder at **booktrust.org.uk/bookfinder** or visit your local library or bookshop for more fantastic titlesyour child might enjoy.

3. Discover more

Explore tips, book recommendations and ways to support reading at home by visiting **booktrust.org.uk**
You can also follow **@BookTrust** on social media or sign up to our family newsletters.
