Term 2 Newsletter

Butterfly class

Hello and welcome back from Mrs Osborne

Important Information

The Butterfly Team

Monday – Friday mornings – Mrs Osborne (class teacher)
Monday – Friday afternoons – Mrs Saunders (HLTA)
Full time class support – Miss Carthew
PE coach – Coach George
As I am generally not on the door at the end of the day, please email the school to arrange to speak to me if you have any questions or queries.

Help from you this term

Throughout the term, we will be working very hard on our Nativity and we will be needing some help from you adults as we get closer to our performance. We may need you to help us with costumes and we thank you in advance for this!

Equipment

PE days for Butterflies are Mondays and Wednesdays. Children should have a PE kit including; a coloured t shirt according to their house colour, shorts or jogging bottoms and a zippy depending on the weather and black trainers.

Reminder: earrings should be removed or taped up.

All children should be bringing a named bottle of water to school. Children are able to access them throughout the day.

Wellies and a waterproof coat may also be needed for allotment visits as the weather changes.

Home learning

Children will be allocated a reading book which should be read every day. This is key to your child's reading development, we will also read regularly with them at school, exposure is key! Your child will also been sent home with weekly spellings that they need to practise and will be tested on each Friday.

Our class ethos

As a teacher, a child's learning development is obviously very important to me, but I also aim to nurture children and help them show kindness to others, be respectful, find enjoyment in their learning, be helpful and most importantly, have fun! I hope your child has a great term with us!
