

# WORTH PRIMARY SCHOOL

“lifelong learning”

Dear Parents

We have **Parent Consultations** taking place on **Monday 23rd March and Thursday 26th March**

Please ensure you sign up to speak with your child’s teacher about their progress and achievement this year.

Hopefully you will have noticed that the planning application to replace our mobile classroom has been published. We hope you will fully support this application as we feel it will be a great benefit to the children at Worth Primary School and for future generations to come.

Thank you to our families who have donated tissues and hand gel for the children’s use. We will of course keep you updated on any information we receive from the Department of Education and Public Health England. A reminder of the helpline for parents is as follows:

**Phone: 0800 046 8687**

**Email: [DfE.coronavirushelpline@education.gov.uk](mailto:DfE.coronavirushelpline@education.gov.uk)**

**Opening hours: 8am to 6pm (Monday to Friday)**

Best wishes,

Tracey Sandy (Head of School)

## GOVERNOR NEWS

### **The Governors Strategic Plan 2019-2023**

The Governors have created a four year strategy plan for Worth School, which can be found on the school website. The key objectives continue to be broken down in this newsletter-

**2. Continue to be a unique school with a full roll, securely financed, well-staffed and robustly led where children and their needs will always come first. To achieve this we will be required to:**

**b. encourage and actively support the Continuing Professional Development of all staff and governors;**

The Staff and Governors are great, but recognise that they can only stay great if they continue to develop, learn and stay well informed. High quality CPD does require some financial investment, and the Governors are committed to this, ensuring that we stay up to date with current educational initiatives and strategies.
