

WORTH PRIMARY SCHOOL

"lifelong learning"

Dear Parents and Carers,

We have had some very exciting news this week at Worth. As many of you are aware the Class 2 mobile is in a poor state of repair. Although Mrs Amos has done everything she can do to keep it looking fabulous inside, the outside walls and general structure have deteriorated over recent years. Kent County Council have just produced plans to replace the mobile in the form of a one-class extension linked to Class 3.

We are hoping that planning will be submitted soon and that the building works can start during the Summer months.

We are fully aware that the building phase will present some challenges-but the end result will be worth it. It will be wonderful to have all of the children together in one permanent building.

Kind regards
Jo Hygate
Executive Head Teacher
