

WORTH PRIMARY SCHOOL

“lifelong learning”

Dear Parents/Carers,

Please may I remind parents that any food items brought into school must not contain nuts as we have a pupil with a diagnosed nut allergy. Also spray deodorants are not allowed on the premises. Children in Years 5 and 6 may bring a plastic roll on deodorant if they so wish.

Our Christmas Fair is nearly upon us -**Wednesday 27th November**-and everyone is looking forward to raising lots of money for the school. If you can offer any help to the PTA please let Christine or Debbie know asap. Please note there will be NO CLUBS after school so that everyone can come to the Fair! We would appreciate children being collected promptly from school so that all staff can go and help man the stalls!

Thank you for your support as always .

Best wishes,

Tracey Sandy (Head of School)

The Governors Strategic Plan 2019-2023 The Governors have created a four year strategy plan for Worth School, which can be found on the school website. Over the next few newsletters we will break down the key objectives from the strategy and give you a little more detail.

Action 1. Be a well supplied and equipped school with buildings fit for purpose where all the school community enjoy working. This will require us to:

a. ensure the existing mobile is replaced to a high standard; b. ensure the fabric of the school is maintained, projecting a positive and successful image to the village of Worth and to the wider community;

Update-The mobile at Worth is in a poor condition and KCC have agreed to fund the costs of a replacement building and manage the project. The physical restriction of the building site does cause problems- particularly in terms of timescales (as the majority of the build needs to happen over the Summer holidays). We are hopeful that work can start over next Summer.
