

# WORTH PRIMARY SCHOOL

“lifelong learning”

Dear Parents,

## Parent Governor Vacancy

Governors work with the senior leaders in the school to shape strategic direction and hold the school's leaders and finances to account. We currently have an opportunity for a parent to join our enthusiastic governor team. Are you interested in directly contributing towards the development of your child's education? If so then please see the letter sent home with your child or contact me through the school office.

Is your child coming to school **READY TO LEARN?** Having a good night's sleep before school is essential for children to be ready to learn. Evidence shows that night time sleep is just as important as healthy eating and exercise for children to develop. **The National Sleep Foundation recommends 10-13 hours for pre schoolers and 9 –11 hours for children aged 6 to 13 years old.**

Our Curriculum Values are:  
Resilience, Relationships, Relevance and Reflection. We are currently focusing on **RESILIENCE**—ask your child what this means!
