

# WORTH PRIMARY SCHOOL

"lifelong learning"

Dear Parents and Carers,

As you may have noticed, lots of the children have been out and about representing the school at many different sporting and curriculum events. On all occasions the children have behaved beautifully and we are very proud of their efforts and achievements— well done to all!

We are very excited to announce that Mrs Smith has secured £850 of science funding from The National Grid which will be spent on new science equipment for the classrooms.

Fingers crossed the weather warms up for the Easter break!

Best Wishes,  
Tracey Sandy (Head of School)
