

WORTH PRIMARY SCHOOL

“lifelong learning”

Dear Parents/Carers,

It was lovely to hear all the positive comments during the recent class ‘drop ins’ - I know the children love to share their books and work they are proud of.

Pupil attendance at Worth School continues to be a priority as we know that children will not achieve their full potential if they do not attend school regularly. If your child has a slight cold or cough then it is usually best to send them into school. If they become unwell during the day we will call home. Often when the children get to school they forget all about feeling ill!

However, if your child is not going to be coming into school due to illness, or for any other reason, it is the parents responsibility to phone the school office **before 9.15am** on each day of their absence.

Best wishes,
Tracey Sandy (Head of School)

GOVERNOR NEWS - Strategic Plan 2019-2023

The Governors have created a four year strategy plan for Worth School, which can be found on the school website. In this newsletter we will look at another aspect in more detail:

f. assist in maintaining a successful PTA which will encourage parents and members of the local community to become involved with the school and which will continue to contribute invaluable to school funds.

The PTA do an amazing job at supplementing our Government funding. Without them we would struggle with providing the transport for our extra events and provide the children with many of the exciting opportunities they will remember. It is important to us that this wonderful group of people feels supported in their work.
