

WORTH PRIMARY SCHOOL

"lifelong learning"

Dear Parents/Carers,

Next week Safer Internet Day will be celebrated all over the country. Online safety is something that we talk about on a regular basis in school, not simply on one special day. We hope parents are also having these discussions at home as this is where children will be accessing the digital world more frequently. There is a wealth of information available to support parents including the following websites:

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

<https://www.saferinternet.org.uk/advice-centre/parents-and-carers>

<https://parentinfo.org/>

As this is the last newsletter before half term, we would like to wish all children and their families a happy half term break and we look forward to seeing everyone return on Monday 24th February.

Best wishes,

Tracey Sandy (Head of School)

GOVERNOR NEWS - Strategic Plan 2019-2023

The key objectives continue to be broken down in this newsletter-2. **Continue to be a unique school with a full roll, securely financed, well-staffed and robustly led where children and their needs will always come first.**

To achieve this we will be required to:

a. ensure the achievements of the school, its pupils and staff, are recognised in the local community so that

Worth Primary is the school parents and carers in the local area choose for their children; There is a lot to

celebrate at Worth Primary School- academic success, fabulous staff and children, exciting learning

opportunities and events. It is important that this success is recognised locally and it is seen that although we are a

small school, we have a lot to offer. Currently our

children travel into Worth school from many different places- which is great, however, in the future, it would

make more environmental and financial sense that the local children attend the village school.
