

WORTH PRIMARY SCHOOL

“lifelong learning”

PTA Newsletter

28th April 2017

We had a successful Movie night last Friday, thank you to all the children that came along and a special thanks to our helpers, Shelley, Alison, Debbie and Ms Sandy. We raised a fantastic £135 which will be added to our running total for the air conditioning unit in the mobile classroom. (Amount raised so far is around £820) Watch out for our totalizer at the school gates!

We have other ways that you can help us reach our massive target of **£3000!**

Every time you shop online you could raise funds for our school. It's very simple and costs nothing. If you go to

www.easyfundraising.org.uk/causes/worthprim

Sign up...

Start shopping through the link. We could raise lots of money this way, especially if any businesses you may work for sign up as well!

For the more active of us, why not join myself and Jasper on the 5KM **Colour** Run at Betteshanger on 11th June!

<http://www.kmcharityteam.co.uk/challenge/colour-run/>

We'd love a big group to run or walk round with, all the while raising money for our lovely school.

Thank You for all your support!
