

PTA Newsletter

January 2018

Hello Everyone,

Thank you for your continued support for our lovely school. I hope everyone received the letter from Mrs Kennett about the 100 Club. It's another way to support Worth Primary with the chance of winning a cash prize along the way. It's only £12 for the year. If you need another signing up form, please email me susiedb@gmail.com . We really need all money in by the end of January so we can do the first draw.

We've got a [cake design competition](#) coming soon with help from the CO-OP in Sandwich. The main prize is your cake design made into an actual cake for the winner to take home!

Please could you also take a minute to nominate Worth Primary as your local cause if you have a CO-OP membership card? We are lucky enough to have been chosen as a community cause by the Sandwich CO-OP and all money raised will go towards transport costs for our children, to get them out and about more. Thanks once again!!

Susie
