

WORTH PRIMARY SCHOOL

“lifelong learning”

PTA Newsletter **17th March, 2017**

Thank you to everyone that came along to the PTA meeting last week, it was fantastic to see so many parents there, all full of enthusiasm to help raise funds for the school. Our main focus this year is going to be to raise enough money to buy a much needed air conditioning unit for the mobile classroom. It gets incredibly hot in there in the summer months and we want to 'Make School Cool!' Our first fund raising events are coming up and we'd love you to support us, if you can.

Thursday 23rd March- a Mother's Day sale in the school. Your children will be able to buy small gifts (no more than £3) to give on Mothering Sunday.

On the final week of term there will be some games to play outside the school gates, Guess the Number of Eggs in the jar and name the Easter Bunny!

Monday 3rd April- our first ever Quiz and Curry night, to be held at The Blue Pigeons. Tickets will be on sale soon at £10 per adult and children are free!

Friday 21st April- A movie night at the school. The film hasn't been chosen yet so if you have any suitable ideas please let your school council reps know. Tickets for this will be on sale soon for only £3.50, including popcorn and drink!

Thank you for your ongoing support.
