Thank you

## **A Plea for Help!**

Is anyone available to help with the setup and/or running of the fayre next week? We have some lovely volunteers already but could do with one or two more.

Please could you bake some cakes for sale at the fayre and bring them to school on Tuesday morning? We will have amongst others, some lovely lemon drizzle cakes, which can be made to order, if you would like to purchase one on the day of the fayre, please let me know.
