

# Worth PTA Newsletter

6/30/2017

Thank you everybody for your fantastic support of the Worth Primary School Summer Fayre this year. The PTA were so grateful for all your donations of wine, toys, cakes and raffle prizes. We hope that you all enjoyed the Fayre and had fun. We raised a staggering £1586 this year which is all going towards the air conditioning unit. We have a running total for this of £2400 so we are very

nearly at our target! We have some more fundraising coming up in the near future to help this along. More notices will be coming out soon and we will be looking for some willing volunteers! If you have any boot fair items that you would like to donate, children's toys etc., please start bringing them into school.
