

## Sport funding spending and impact April 2016

£14727	Total amount funded	
Amount	initiative	Impact
£900	Regular support from specialist sport/PE teacher to redesign PE curriculum and team teach with staff as ongoing CPD	New sports in the curriculum and more variety. Better sustainable teaching of PE and a variety of sports. Better teacher confidence.
£748	Regular use of Deal gym one term per year	Better facilities as we use the village hall. Qualified instructors teaching gym alongside teaching staff for CPD
£1020	Release time for PE co ordinator to reorganise the PE curriculum and gage the ability in teaching before planning for improvements and then to look at impact. Also to find out what equipment is needed and evaluate impact of new equipment on quality of PE	More equipment and better organised equipment leading to teachers being able to find and use equipment more effectively. Better planning of PE curriculum for progression.
£3383	Regular swimming sessions for all of KS2 and catch up swimming for year 5 and 6 non swimmers.	Most if not all children leave us in year 6 able to swim.
£1956.86	New sports equipment purchased. Playground equipment purchased by school council to promote lunchtime sports.	A better variety of equipment and support materials available in order that a better PE curriculum is delivered.
£585.00	House system introduced and PE T shirts purchased in house colours.	Sense of pride in their house and team competition embedded through school linked in to school values.
£897.53	Voice in a million at Wembley arena – dance	Pupils participated in a large scale event and learned dances in the run up to perform as part of large group on the day.
£1200	New shed at the village field	Equipment can be kept at the village field so tha better quality outdoor PE can be regularly taught.
£41.49	New wake up and shake up CD for morning exercises	Regular exercise with whole school before school
£100	After school specialist tennis sessions for KS2	Chance to participate in specialist sport
£229.52	Equipment and breakfast for fit for life morning club.	Promotion of healthy lifestyles.
£11061.40	Total amount spent	
£3665.60	Carried forward
