## Can you help?

We are currently looking for volunteers that can commit to occasional helping.

Anything from setting up at events, running stalls, marketing ideas, organising raffle prizes and general clear-up duties after fetes.

Please let Mrs Mayes know if you can help and she will send you our way!

# WORTH PARENT TEACHER FRIEND ASSOCIATION

Welcome to the termly newsletter from the PTFA committee. Our aim is to raise funds that will then be spent to benefit the children.

We would like to start with a thank-you for supporting the Valentines non-uniform day. We raised £37 cash and had some wonderful tombola donations ready for our Easter event at CoOp in Sandwich. Dates for upcoming events are on the left.

## Easter Baking Competition

The children have already started to design their cakes in class. One design will be selected to be made into a real cake by The Baking Fairy! Runners up will be selected from each class to win an easter egg too.

The winners can collect their prizes on 11/04/20 at CoOp in Sandwich. We will also be displaying all the designs and having a cake sale and tombola.

## KM Colour Run

For those that enjoy running, walking or just getting covered in coloured paint - we have registered for the KM Colour Run at Bettshanger Park. Both adults and children can participate.

We will be finishing the event with a picnic and a play in the park for the children. (Bags can be left with one of us during the run).

You can find out more info and sign up now (just remember to choose our school pta as your chosen cause!). Thank-you!

## School Allotment

Green fingers? The school allotment needs a bit of a face lift ready for the Spring/Summer term. We have enlisted the help of a local gardening firm and the teachers have suggested some great ideas. A large amount of our funds raised at events this year will be funding this project.

The next step will be getting the ground cleared, weeded and starting to layout the site. We are looking for any local people that would be willing to pop down and weed as and when they can. Maintenance will be key!

If you can help, know a keen grandparent or maybe have friends in the village that would enjoy helping us - please let the school office know.

## FUNDRAISING UPDATE

It is difficult to plan where the money will be spent as we never know how much we will raise! However, we have a great relationship with the teachers and they regularly ask if they would like some funds for resources or trips

Here are a few key things we plan to fund with money raised this year:

- The school allotment project
- School Trips / Workshops
- Smartboard for the mobile

## New Books!

You may have seen the sad news that The Book People have gone into liquidation and are selling off their last stock. We have been fortunate enough to place an order for over 115 books at a heavily discounted price. These books are already in the school library for children to enjoy. Thank-you for your support!

We would like to collect some 'wow' raffle prizes for the Summer Fair. If you work somewhere that might donate, we would be so grateful if you could ask. Alternatively, we can give you a letter to pass on to management.

***Thank-you for all your help!***
