Term 2 – 8th November 2021

Welcome back to a very Autumnal term 2. We hope you had a great half-term break. The children have settled back exceptionally well and are already in full swing with their learning. There have also been some fantastic changes to our EYFS/KS1 playground and the new fence – we love it!!

Parent Consultations

Wednesday 24th, 3.30-6.00pm & Thursday 25th November, 3.30 – 5.00pm

From Monday 8th November there will be 'sign up sheets' in the school entrance for our parent consultation meetings. If you are unable to come into school to sign up please do call our school office and we will be able to add you to the sheets.

Each appointment will be a 10-minute slot. It is really important that we stick to the allocated time slots. There will be an opportunity to look through your child's books after your appointment.

If you are concerned about face to face meetings due to Covid or unable to come due to Covid we are happy to book telephone consultation meetings during these times. Due to timings these will be slightly shorter than face to face meetings. We do encourage you all to make an appointment. Thank you.

Purple Mash/Remote Learning

Last week we sent home NEW **updated Purple Mash passwords**. For those of you that are new to our school Purple Mash is our learning platform in the event of school closure or Covid related absence. Your child's class teacher will set your child work on Purple Mash. It will be set ready for day 2 of absence and linked to the learning in school This will come in an email on Purple Mash. It will show in 'Alerts'. The email will talk you through the days learning and is a tool to share work and communicate with your child's class teacher.

It was really successful last academic year!

If you have any questions or would like further support please let us know.

If you haven't a device to access Purple Mash please also let us know so we can support you.
